- 2. Reminder, you cannot adjust a Work Ethic grade that does not exist yet, you must first take attendance so that the default work ethic grade appears, then you can adjust it.
- 3. You can also use the Work Ethic column in the Attendance Screen to adjust WE grades. In the grading screen, though, it allows you to see the entire school year worth of grades for the students.
- 4. No comments can be entered in the WE Grading screen.
