Resolved Issues

Defect Corrections

The following reported issues are corrected in this release.

Desk Support Number	Jira Development Number	Summary	Notes
	CS-506	**PIMS** - ODR fields populating Registration for PIMS	The following are the fields in the Student and Student Snapshot templates that are required to be populated for students being reported as current EL (EL Status – field 41 = 01 or 06): EL Status (field 41) LIEP Type (field 45) Date First Enrolled in an ELD or Bilingual Education Program (field 68) Title III EL Eligibility (field 95) Date First Enrolled in a US School (field 110) Home Language Code (field 123) The above listed fields are only required when the EL Status (field 41) is 01 or 06 (identifying student as a current EL).
21580	CS-508	**NY ONLY –** Military Guardian default "N"	Added the default value of N to the ODR process for NY during the import process into New Student Import/Entry module > Student Information tab
21235 / 21485	CS-563 / CS-516	**PA ONLY -** LIEP Field added to PIMS Student Snapshot template	LIEP Type - Field 45 now exports / also corrected it exporting LIEP code 98 when student is coded 01 or 06
21224 / 21930	CS-456 / CS-544	**PA ONLY –** Military Family Field added to PIMS Student Snapshot template	Military Family - Field 207 now exports / also corrected it exporting blank – now exports "N" when selected in Student Master
21209	CS-455	**PA ONLY –** Field 94 updated in PIMS Student Snapshot template	Field 94 is not collected and is now reporting blank and Field 96 is now exporting "N"
21154 / 21136	CS-444	**PA ONLY -** Field 215 updated in PIMS Student template	Converted all codes other than a Z to be Y and Z is now N at all client sites for field 214, 215, and 216 in the Student template and the Student Snapshot template
21135	CS-442	**ClassMate ID Control –** error "Cannot insert duplicate key row in object stu_progress_TA with unique index idx_stu_progress_TA_PK. - 2147217873"	Re-arranged the updated statements in the reassignment student ID process so that the student progress TA is updated first for both ClassMate and Archive – error will no longer be encountered

Desk Support Number	Jira Development Number	Summary	Notes
21077	CS-434	**NY ONLY – State/Industry Assessment** - WBL automation	New automation added when updating the WBL Tab in State Industry Assessment, it will now update the Student Master WBL to be T.
	CS-429	**Permissions Upgrade**	Added the functionality of assigning Web Pages and/or Tabs to a ClassMate User into User Module Management Module. System Administrator > User Module Management module - there are now 3 folders, Modules, Reports, and Web Pages/Tabs
19305	CS-188	**NY ONLY – VADIR/DASA –** Incident Location options	Added/removed fields from the tables and screens. Three new fields, 1. Separated Drugs and Alcohol, 2. Added a field for School-related arrest, and 3. Added a field for suspension length <1 or 1+ year. Admin Discipline > "Citation/State Reporting Management" module (CITSTR_M), misconduct tab now lists: -Use, possession, or sale of drugs only -Use, possession, or sale of alcohol only Consequences tab now lists "School-related arrest." Details tab, sanction field lists options: -EX1 – Suspended for one year -EX2 – Suspension shortened to less than one year -N - None
	CS-535	**ClassMate Custom Control** – Disabled Entry Status entry	The Entry Status has been disabled so users cannot enter an invalid Entry Status. If user needs to adjust must click the Entry Status Button > Select Entry Status > Save
21235	CS-463	**PA ONLY PIMS Student Snapshot** – LIEP Field Missing	Procedure adjusted and installed at all PA Client Sites
20327	CS-417 ????	**Student Master** - Student Calendar updates	Procedure modified so that when students are Returned their Student Master Calendar updates to the Custom Control Calendar. This will keep the student calendar current when returned.
	CS-301	**NY ONLY SIRS CTE Technical Assessment –** Alpha Grade fix	Fixed the new State Industry assessment - SIRS Assessment tab - CTE assessment export to SIRS Export management - District SIRS tab - Assessment Fact so that it now exports the recorded CTE Alpha grade for Pass or Fail. Originally it was not exporting the entered Alpha

Desk Support Number	Jira Development Number	Summary	Notes
			grade but defaulting to "F".
21642	CS-528	**GA ONLY** **SL Student Scheduling** - allowing non-school days	Updated procedure to not allow scheduling on non-school days
21222	CS-457	**CA ONLY** **Instruction Course Offerings** – Course/Class tabs do not display	When selecting Instructional Course Offerings for CA clients only, the 2 additional tabs for Course and Class now display

New Application Features

The following new features have been added to ClassMate in this release.

Desk Support Number	Jira Development Number	Summary	Notes
21390	CS-466	**Student Parking Permit** Approval tab > School Personnel Principal to only show personnel from the student's Home District in drop down selection	The dropdown for School Principal will now fill only with the School Personnel entries for the student's sending school. The personnel entries also have to be indicated as principals via the checkbox in Personnel Management.
18531	CS-60	**Student Registration Information** Registration # assigned to a student to reference the SY the student is registering for	Added a new field to Custom Control for project year next number. Modified the module to use the correct next number field
18443	CS-54	**Student Master / Student Registration Information** Expand first name length	First name field has been extended to 25 characters in the following: Student Master Information SL Student Master Student Registration SL Student Registration
21922	CS-36	**Student PIMS Information / Student SIRS Information** Student Profile Icon	Profile Icon added back to Student PIMS / Student SIRS & Extended first name character length
20351	CS-353	Coop WBL Flag Automation	You only have to mark Coop Flag in **Student Master Information** module or **State/Industry Assessment** module. ** If you UNMARK the coop indicator in the State/Industry Assessment" module, it does NOT unmark the Master file, and does not save the UNMARK in the S/I Assessment module. If you want to DELETE the coop indicator, you must first change the Master file to Coop=F, and then change the State/Industry Assessment #040 to uncheck it. That is the only way that both modules will save the F.
19911	CS-344	**Student Snapshot and Student Profile -** change verbiage "CTE Average" (under photo) to "CTE MP Average"	The verbiage has been changed to "CTE MP Average" Currently the CTE Average is calculated as such: If the MP =1 then the average = MP 1 PGR; MP2 to MP

Desk Support Number	Jira Development Number	Summary	Notes
			4 does a mere average for all included periods (tally the PGR for all included periods and then divide by the # of periods). It does not reference any class formula nor does it include the final grade.
17368	CS-39	**Student Registration Information –** Resident School Field	Added the Resident School to both the Student Registration module and the SL Student Registration.
	CS-503	**ClassMate Report Retrieval –** updated report tree	All listed reports are now grouped by the Category to which they apply. This makes finding the report easier, and avoids the error of accidentally choosing the first report on the list.
20844	CS-415	**Admin Anecdotals –** match username, disregard capitalizations	Corrected the check to ignore case.
	CS-129	**Student Registration** – extended email address length	Email field in Registration was 35, increased to 80 to match Student Master. Also increased the field to 80 in the following dependent tables: Delete Student nyr_master Arch_UpdStudent Hs_app Affects the following modules: Student Registration SL Student Registration Student Master SL Student Master
20232	CS-341	**SL Admin Anecdotal** – allows deletion if not Create User	Module will now stop you from deleting anecdotals user has not created when Security Setting is turned **"ON"** in ClassMate Custom Control
	CS-339	**Student Scheduling & SL Student Scheduling -** added PASecureID search	Search options now include ability to search by State ID
18923	CS-128	**Student Registration** – extended work phone extension fields	Work Phone Extension is updated to10 characters long in the following modules: Student Registration SL Student Registration Student Master

Desk Support Number	Jira Development Number	Summary	Notes
			SL Student Master
20194	CS-334	**PA ONLY** **Student Scheduling** – automate Entry Code Status for "T" disabled students	Modified process – if disabled flag in Student Master is set to "T" students currently enrolled program Entry Status will auto-update to E98_00. If set to "F" the currently enrolled program Entry Status will auto-update to E05_00
