Assuming the Identity of a Teacher

Goal: To be able to use Teacher modules in order to see "what the teacher sees."

Modules > System Administrator > ClassMate User Management

1. Find **your** username in the list of username's and highlight/select.

You may now use any of the modules in the Teacher folders i.e. (Teacher Attendance, Teacher Discipline, Teacher Grading, etc).

You can also switch locations from your Main Dashboard by clicking the Yellow Smiley Face and selecting the Location Defaults tab > Blue Location button and changing there
