

Teacher Web – Virtual Attendance

It is now possible to enable the ability for your teachers to select & assign VIRUTAL attendance to students. Security access is assigned on the “window” admin side under the module: **System > Administrator > ClassMate Custom Control > Attendance tab > select Allow Virtual Attendance (Web) = Yes and Save.**

**** It is a ClassMate Best Practice to make this adjustment at the beginning of your School Year and not adjustment until after your Annual Rollover. ****
